

Why Taiwan?

Bridge to MassChallenge Taiwan (B2MCTaiwan) is a collaboration between MassChallenge and the **Linkou Startup Terrace**, under support from Taiwan's Small and Medium Enterprise Administration (SMEA), Ministry of Economic Affairs (MOEA), to catalyze and support an Asian regional startup community in Taiwan.

ICT

MED

IP+

ICT Industry: A manufacturing powerhouse at the center of the global ICT value chain in the Asia Pacific region

Medical Technology: A world-class national healthcare system and medical device industry

IP Protection: Strong rule of law and first-world intellectual property protection

Linkou Startup Terrace: All the resources of Asia's newest emerging international startup ecosystem
